Provenienz

Dr. Karl Max Osthof (1861 Přepych – Aussig 1939), with the collector's stamp verso (Lugt 4810).

A very fine, luminous lifetime impression of the first state before the added address of the printer. Trimmed to or just inside the platemark, to the subject in places. – Flattened centrefold. A few more flattened creases. Some brown spots and old adhesive verso. On the right-hand side of the image with a skilfully repaired tear, otherwise in good condition.
