Weitere Informationen

Delteil 161; Harris 162 III,1 (of 7).

Plate 42 from: Los desastres de la guerra. A good impression with the number and letters; still with the clearly visible aquatint in the sky. Print of the first edition published in 1863. Wide margins. – The paper is slightly time-stained at the edges. On the reverse with traces and remnants of a former mounting on the upper edge, otherwise in good condition.
