Provenance

Aus dem Nachlass der Herzöge in Bayern.

Depicted are the children of Archduke Albrecht of Austria-Teschen and Hildegard Luise of Bavaria. Archduchess Maria Theresa of Austria (1845–1927) became Duchess of Württemberg through her marriage in 1865 to Philip of Württemberg (1838–1917). Her brother Karl Albert, born in 1847, died of smallpox at the age of one.
