Richard Jung, with the collector's stamp verso (Lugt 3791).

A very good Meder I c impression, before the rustmarks, with the vertical scratches through the wing feathers on the left and through the flying garment; printing with good contrasts, trimmed to the image. – The lower left corner on the reverse slightly thinned; a smoothed horizontal crease on the reverse. With tiny brown spots on the reverse and a pinhole-sized hole on the right edge. Remnants of a previous mounting on the reverse. Otherwise in good condition.
