Provenienza

With P. & D. Colnaghi & Co., London, (with their stock number C. 27342 in pencil verso);

Unidentified, initials AGL (?) in brown verso (not in Lugt).

A good impression of this extremely rare print, probably New Hollstein's fourth state (of five); beginning to show slight wear on the left upper leg. Fine margins around the platemark. – The top and bottom right corners with light abrasions. Verso with remnants and traces of a former mount as well as a slight discolouration along the edges. There are a few tiny spots here and there; a faint pencil notation on the reverse, otherwise in good condition.
