Bartsch 48; Meder 50 a-b (of d); Schoch/Mende/Scherbaum 75 a-b (of d).

A fine, clear Meder a-b impression with good contrasts and little to no sign of wear. With the short scratches on the right margin still visible, as desired for an early impression, printing with light plate tone. Trimmed to or just outside the borderline. – A few isolated tiny brown spots. On the lower left edge, a tiny backed paper flaw. Verso with abrasions at the edges; remnants and traces of a former mounting, otherwise in good condition.
