Ulteriori informazioni

Bartsch 3; Meder 208 i (of i); Schoch/Mende/Scherbaum 225 i (of i).

A good, but partially slightly weak impression, with the four large gaps in the lower borderline. With a small margin around the borderline. – The paper slightly time-stained, with a tiny rust stain left in the beams. A small, carefully restored tear centre of the lower edge. Slightly wrinkled along a horizontal line. On the reverse, two narrow strips of mounting on the right side; otherwise in good condition.
