Bartsch 101; Meder 211 II g (of II g); Schoch/Mende/Scherbaum 248 II g (of II g).

A good, but slightly drab and partially fading impression, with the crack forked at the bottom and with the breakout in the lower left corner filled in. With a thin margin around the borderline. – The paper slightly time-stained. A few horizontal, barely noticeable crinkles. On the reverse, two narrow strips of mounting on the right side. Overall, in good condition.
